Our aim is to exhibit and/or sell high quality handmade English craftwork and English produce
which, as far as possible, might have been available in the 11th century.

We hope that all participants will wear medieval costume. Example sketches are available
on request.

We will require a simple risk assessment for your stall. An example and form are available on
request. If you provided us with a risk assessment last year, and the risk has not altered, you
do not need to provide another. We require to see a hygiene certificate for any stall selling
foodstuffs.

Your name/trade name will be published on our website. We will include your website and/or
e-mail address. Please let us know if you do not wish to be listed.
